

Dear Customer

This food allergy table shows you which menu items could contain the 8 major allergens.

We do not guarantee that customers will not develop allergy symptoms.

As we use the same equipment to prepare dishes, we cannot fully prevent cross contact. Therefore cannot guarantee that any of our menu items is completely allergen free.

We ask customers at risk of severe allergic reaction to take extra precaution as symptoms vary depending on the individual.

The following allergy table should be used as a guideline.

***Some dishes may not be available depending on the store.**
